Sutton Council On Aging: compassion and service

There are very few certainties in life, and those that exist are not always pleasant. One of the definites, stating the obvious, is that if you live long enough, you'll get old. Our contemporary culture, obsessed with the fiction of eternal youth, avoids the subject entirely hoping that it will go away if ignored. When the subject of the elderly is covered in the media, it usually portrays one of the problems facing our senior citizens. This is certainly one of modern society's blind spots, and one need only talk to one of the employees at the Sutton Council On Aging to realize that Sutton seniors are not only as vital and as active as any other age group but enjoy a wide variety of activities which are sponsored and frequently underwritten by the Sutton Council on Aging.

Members of the Council are: Evelyn Shaw, President; Mary Arakelian, Secretary; Ronald Dion, Treasurer; Lawrence Moore; Genevieve Vaundell; Ken Merrill; and Dorothy Graham, the newest member who, for the past ten years, was the much respected Director of the Senior Center. Since July 1, Mrs. Porter has been the Center's Director and Anita Boria has been promoted from the Center's secretary, a position which she has held for four years, to the Center's Outreach Coordinator. This team works hard to provide a variety of activities for Sutton's seniors and is eager to offer an assortment of services which makes being a mature resident something to be anticipated.

The Center, located on the second floor of the Town Hall, is the heart of all activities. The Council's offices are conveniently located off the large function room where many of the activities take place. On Monday mornings throughout the year, except for July and August, the Council sponsors an exercise program and craft classes in the afternoon. On Tuesday, Wednesday, and Friday, five volunteers serve about sixty residents lunches which have been carefully prepared to meet their nutritional needs. Another twenty "home-bound" lunches are delivered by two other volunteers to about twenty seniors who cannot come to the Center. "The lunches are more than simply meals," said Mrs. Porter, "they are a time for socializing; a place where the seniors can get together and enjoy themselves."

"The office is always busy during this time because it's convenient for the seniors to drop into the office and take care of whatever business they may have," added Mrs. Boria as she answered

Standing, left to right, Nancy Porter, Director of the Senior Center, and Evelyn Shaw, President of the Sutton Council on Aging. Seated is Anita Boria, Coordinator of the Outreach Program.

one of the seventeen phone calls she received during the hour-long interview.

"The seniors are very active," explained Mrs. Porter. "We have regular shopping trips and sponsor a couple of trips a month to different malls in the area." In addition to these, but not as regularly, the seniors go on special day trips to various points of interest, and at least once a year they go on a three or four day excursion. They are presently planning a day trip to visit the Statue of Liberty and are considering a longer trip later in the year. "Wednesday afternoon is 'Bingo' time," said Mrs. Porter, "which is always popular."

The Council on Aging is more than simply an activity center; it is a place where many critical services originate. The Council oversees a "Chore Person Program" which provides the services of

high school students for those residents who cannot perform certain chores. According to Mrs. Porter, "The elderly call and tell us what needs to be done and we contact one of about twenty-five students who go out and do the work for them. The program has worked out very well." Funded by a grant from the state, the program will run out in September. Though, at this time, the Council has not sought town funds to continue it, it is hoped that the Chore Program might be revived in the future.

Four times a year, the Center is the site of surplus food distribution. Here the Council oversees the distribution of surplus food to all Sutton residents who qualify under certain income guidelines.

"We also administer the Fuel Assistance Program for all Sutton residents including the elderly," said Mrs. Boria.

"We help people make out the forms which they need to apply for help. These forms are then sent to Worcester where the qualifiers are determined."

Much of the assistance which the Council provides is in the form of advice and help in preparing forms. "Medicaid forms are difficult to prepare," Mrs. Porter explained. "They are constantly changing, and it's even hard for us to keep up with all of the changes and the changes of the changes. We call in and double check on the proper procedure so that the forms will be prepared correctly."

Anita Boria is now the Coordinator of the Outreach Program, a position held by Mrs. Porter prior to her appointment as Director of the Center. "This program is

We the people...

Frustrated By Contract Negotiations

To the Editor:

In all honesty, I would be the first to admit I do not have very much background in municipal government. However, negotiations in Millbury for three contracts having expired in June, 1986 could arouse a definite interest to learn.

Members of the union had for many months suffered through failed bargaining sessions. The process had been stalled time and time again by one member of the Board of Selectmen. It took a new chairman to finally move things along.

A shorter time had passed when it seemed apparent the contract was destined to be signed. Then without a trace of guilt, that same board member decided to once again dwell on petty details.

I think most would agree we need someone in this position with a genuine concern for the people's welfare. It will be some time before our elder selectmen's term expires in April, 1989. However, should he decide to run for re-election, we will seek his defeat.

Susan Hamilton

Waters Family To Hold Reunion

The Waters Family, descendants of Richard Waters, immigrant of 1636, will hold a reunion at the West Sutton Baptist Church on Saturday, September 5, 1987, beginning at noon.

Anyone planning on attending is asked to bring a picnic lunch to accommodate all members of their group. In addition, every attendant is asked to bring a childhood photo of themselves to be included in the day's program.

As part of the day's festivities, computer printouts will be made available showing the known members of the family from the immigrant Richard to the present time. Currently, there are 1,800 known descendants of Richard Waters living in approximately 35 states and in Paris, France.

Anyone seeking further information on the reunion is asked to write to Betty Waters, P.O. Box 267, Bloomfield, New Jersey, 07003. Family members who have not previously been contacted are encouraged to join in the reunion celebration.

NOTICE

Effective August 6th, The Millbury-Sutton Chronicle will be sold exclusively at Ballard/Rix Dunnington Drug Store in Millbury and at Sutton Square Pharmacy in Sutton.

SELECTMEN from Page 3

Royal replied that the Court doesn't help, and that on some occasions he has had to act as the judge.

One complainant appeared before the Selectmen expressing frustration about resolving a problem of barking dogs owned by an individual on West Main Street. The woman complained that the problem has been going on for over a year.

Chairman Donnelly suggested that she make a formal complaint to the Dog Officer. "They will have to come before us and explain. You can testify at that hearing," said Donnelly.

Donnelly also suggested that Royal call the Assistant Dog Officer to substitute for him when he is away.

- At 8:00 p.m., representatives from the new England Power Company addressed the Board concerning future energy needs that might involve the town of Millbury.

Joseph Harrington, Manager of Projects for Siting, presented a brief summary of possible alternatives for siting a peak load plant and a base load plant.

Harrington indicated that his company was considering locating the peak load plant in Millbury on land presently owned by the New England Power Co. on Providence Road. Other sites being considered are located at Sandy Pond in Ayer, Pratt Junction in Sterling, and Uxbridge.

Showing a slide presentation, Harrington indicated that the peak load plant would generate 70 to 100 megawatts that would be generated by combustion turbines fired by low level heating fuel or natural gas.

Phase one of the project for new generating plants has been completed and phase two will be completed by the end of this summer.

The construction phase would take into consideration certain criteria such as environmental impact, social impact, adequate water supply, diverse fuel supply, transportation access, and proximity to transmission corridors.

Frank Smith, Manager for Engineering, indicated that the site being considered in Millbury is located in the southeast section of Millbury, Sutton and Grafton, on New England Power land off Route 122A.

The Plant would include facilities for:

1. a combustion-turbine electric generator building
2. oil storage facilities for 750,000 to 1,000,000 gallons
3. water storage of 300,000 gallons to control sulphur and nitrous oxide emissions.

"Typical siting would cover a three acre site," said Smith.

Similar installations include a building with a stack adjacent. The typical building is approximately 50-60 feet high, 125 feet long and 75 feet wide. The stack would be less than 100 feet high, somewhere around the height of existing structures, according to Smith.

The approximate cost would be \$30,000,000 with

the use of 100-200 gallons of water per minute and fuel needs of three tank truck loads per day of natural gas or light fuel oil.

The plant would operate 500-1000 hours per year - less than 20% of the time as compared to base load plants.

In response to a question from Adams concerning public input and involvement, Harrington indicated that his company wanted to be a good neighbor and would seek public input prior to obtaining permits. "We will work in the community to develop input," said Harrington.

Donnelly asked if the facility would be fully enclosed and if there would be noise problems.

Harrington replied that there would be some noise but that the location would buffer the noise.

Donnelly then asked if there would be emissions from the combustion process.

Harrington replied that the sulphur and nitrous oxides would be reduced by water to levels which meet the criteria of state standards. He also noted that natural gas would be considered as a future alternative.

In response to a question by Selectman Roland Lachance on future energy needs once Seabrook and Hydro-Electric Generation from Canada are on line, Harrington replied that there will still be a need for new plant sitings to cover consumer needs.

Questions were also raised about upgrading Cross Street and the impact of transporting three tank truck loads of fuel per day on this street.

It was stated that a five day supply of oil will be stored on site and that a more in depth study would be made in Millbury if it is the chosen site.

Harrington indicated that the time schedule already developed would tentatively see completion of the project around October 1, 1990.

Two members of the audience questioned the use of Cross Street and the location of transmission lines.

Smith responded that he would send information to the abutters, once developed, as to the location of lines.

- Under "Old Business", the Board was informed by letter that Signal Environmental Systems had completed a name change to Wheelabrator Systems and that they would now assume the financial debt responsibilities.

Adams stated that this was an internal structure change and that the construction debt was underwritten by General Electric for approximately \$160,000,000.

- In other business, the Board was informed that the Transfer Station specs had been cleared at a 30% level of review.

- Chase reported that the downtown parking grant had been completed and was ready for typing. He also stated that the pole at the exit from the parking lot had not been moved but that wires had been installed underground along the future exit road.

Lachance expressed concerns that lines laid under the future exit might pose a problem later on during construction.

- Chase also informed the board that specs and bids for the construction of a dog kennel would be ready in two weeks.

- Donnelly then requested an update on the status of the Water Study Committee and urged that action be taken to get the committee going as soon as possible.

- Donnelly reported that he had received several phone calls about excessive odors coming from Lewcott Chemical last Tuesday. He stated that a cease production order was issued and he was thankful for DEQE's assistance in resolving the matter.

- The Board voted 3-1, with Donnelly voting in the negative, to grant a permit to the New England Telephone Company for installation of an electronic telephone terminal box on Carlton Road.

Lachance had requested that the item be held over from two weeks ago to allow input from Arthur Stowe of Carlton Road, an abutter to the terminal box siting.

Donnelly clarified his position to Lachance, indicating that the box was located on town property and the authority for granting permits lies with the Board and not a private citizen.

"I don't see letting an abutter tell us to do what we should do. He has no right on Town property," said Donnelly.

Before concluding the meeting, Gauthier read several pieces of correspondence addressed to the Board.

Health Fair Follow-Up

On Tuesday, April 9, 1987 from noon to 8:00 p.m., approximately 100 individuals registered for free health screening and testing at the Millbury-Sutton Health Fair which was held in the Sutton Town Hall. Evelyn Shaw, R.N., Sutton Public Health Nurse, the Millbury and Sutton Boards of Health, the Sutton Lions Club and the District Nursing Society collaborated to offer this service to the public.

Dayna Hume and Carolyn Tyler conducted hearing screening in a quiet room. A total of 49 persons were tested with 10 individuals (20%) requiring further assessment (otologic and/or audiologic). An additional 33 individuals had some degree of hearing loss and it was recommended that they monitor their hearing annually. The average age of persons screened was 60, but a surprising number of young adults and mid forties range were also tested.

Nineteen persons were examined for oral cancer by Dr. David Matson of North Main Street, Millbury. Forty-nine had their blood sugar tested with a finger stick acucheck method by representatives from Beckett Medical Equipment Company or by Evelyn Shaw, Sutton Nurse.

Optometrist, Dr. James Paltos, of Elm Street, Millbury, tested 54 people for glaucoma. Registered nurses tested the vision of 55 persons.

Dr. Gilbert and his nurse, Karen Erickson, and other registered nurses, checked the blood pressure and pulse of 67 participants.

The American Cancer Society contributed colon cancer kits which were distributed to 41 participants. The Cancer Society also gave information on the prevention and detection of breast and lung cancer as well as intestinal cancer.

Ronald Eyer, Respiratory Therapist with Atlantic Health Care Resources, offered lung function testing to everyone at the health fair.

Sutton Square Pharmacy representatives distributed information about medications.

Professional nurses and lay volunteers assisted at the 15 stations and provided refreshments for the workers.

Judy Bunnewith, L.P.N. and Evelyn Shaw, R.N., have contacted each Health Fair participant who tested outside of normal limits on any of the screening tests. They checked to see if the people had followed up by calling their physicians, dentists ophthalmologists, or other health care professionals for further evaluation.

The District Nursing Society and the Sutton and Millbury Boards of Health are happy to be able to provide this service to citizens of the Millbury-Sutton area, and we thank all of the volunteers who contributed to the Health Fair's success.

St. Anne's Church Hosts Barbecued Chicken Dinner

MANCHAUG. St. Anne's Church, Main Street, will sponsor a Barbecued Chicken Dinner on Sunday, August 16, at 1:00 p.m. in the church hall.

The menu will be as follows: Half a Chicken, Baked Potato, Corn on the Cob, Roll, Iced Tea and Punch.

A picnic table will also be raffled off at the dinner.

Tickets are \$4.50 and may be purchased at the door.

Bike Tour To Benefit Multiple Sclerosis

On Sunday, August 16, the Central and Western Massachusetts branches of the Multiple Sclerosis Society will host their sixth annual cycling tour. Sponsored by Anheuser-Busch, the MS/Bud Light Bike Fest '87 will offer a choice of 25, 50 or 100 miles accommodating all cycling levels from the avid to the recreational rider. An advance registration fee of \$25 is required as this year's tour is limited to 500 participants.

All three cycling routes begin and end in Charlton.

For more information on MS or to join Bike Fest '87, call the MS Society at 842-2223.

Introducing the

Transformer Mortgage

Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now or lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate for the remainder of your mortgage, at no cost to you at any time after the first year and within the next four years of your loan or lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

Initial Rate	Annual Percentage Rate
plus one point 7.875%	*9.18%

If you want the Fidelity Transformer Mortgage, just stop by or call any one of our offices.

Because rates that go up, can come down...

Member Federal Home Loan Bank System

Member FDIC - An Equal Opportunity Lender

*Rates subject to change without notice. Interest rate is adjusted annually, based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year, as made available by the Federal Reserve Board, plus the applicable margin. The initial interest rate is independent of the index, and has been discounted. This rate may increase on the first adjustment date, in accordance with the formula outlined above. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum 20% down payment.

If you crave some suspense in your life, but you're afraid to find it - if you're the suspicious type, but your husband's always home at five - if you're always wondering if the butler really did it, then you're ripe for reading one of the hundreds of mystery books in the mystery section of the Millbury Public Library. Here are just a few of the new mysteries you'll find this summer.

I AM THE ONLY RUNNING FOOTMAN - Martha Grimes. This is the eighth Richard Jury case. Jury and Devon police officer Macalvie team up to solve the Porphyria killings.

HEARTSTONES - Ruthe Rendell. In this psychological thriller, Rendell fashions a dark story about a disturbed sixteen-year-old who narrates the events following the death of her mother.

MOONSPENDERS: A LOVEJOY NOVEL OF SUSPENSE - Jonathan Gash. Lovejoy is not only a hit on television's Arts and Entertainment Network, he's also a hit in print. This is a mystery about the high tech thievery of some of England's most treasured artifacts.

MONSIEUR PAMPLEMOUSSE ON THE SPOT - Michael Bond. The author of the beloved Paddington Bear series is also the author of this wonderful adventure featuring M. Pamplemousse, undercover food critic for France's most prestigious culinary publication. This is a funny and engaging mystery that will make you smile.

THE WELL - Elizabeth Jolley. Jolley is one of Australia's most noted writers in the international

community. This is the story of Hester Harper, a spinster living a lonely life on a Western Australian farm. Her loneliness is temporarily broken on the night a mysterious creature appears on a rutted country road.

NURSERY CRIMES: A NOVEL OF SUSPENSE - B.M. Gill. Here's a psychological thriller in the tradition of Ruthe Rendell. This is a chilling tale of a "bad seed" who moves from innocence to unstoppable wickedness.

WEEP NO MORE MY LADY - Mary Higgins Clark. This is the latest from this noted mystery writer who wrote the bestselling **STILLWATCH**. Uncover with Elizabeth Lange the story behind her famous sister's death.

SILVER CITY SCANDAL - Gerald Hammond. This is another book in Hammond's series about "funsmith" Keith Calder. In this story, Calder stuns the prosecution with evidence that exonerates oil executive Hugh Donald who is on trial for murder.

BRUISED FRUIT - Amy Ephron. A new author of the genre, Ephron paints a story of romance, murder, and suspense about the talented and beautiful Kate Bailey and her lover, who is found murdered in their suite at the Beverly Willshire Hotel.

NAKED VILLAINY - Sara Woods. This is the last book written by Sara Woods before her sudden and tragic death in 1985. A finely crafted book that centers on Antony Maitland, Queen's Counsel, and his unveiling of the truth behind the practice of witchcraft in a quiet suburban neighborhood.

SHERLOCK HOLMES: THE COMPLETE NOVELS AND STORIES, volumes I and II - Sir Arthur Conan Doyle. This year is the 100th anniversary of Sherlock Holmes. These two volumes celebrate the greatest and most read mystery series written since their inception in 1887.

COMING EVENTS

AUGUST 11 from 6:00 to 7:00 p.m. - DANNY. This is the last film in our Family Film Fest. The heartwarming story of a girl and the pony she has faith in when others are losing theirs. Janie, a spunky 12

year old, lives with her widowed mother and younger brother. She is offered a job training Danny, the pony. He develops a limp, but Janie nurses him back to health and enters him in the country horse show.

Fiscal Update of Real Estate Values Receives Preliminary Certification

SUTTON. The Fiscal 1988 update of real estate values for the Town of Sutton has received preliminary certification from the Department of Revenue.

During this update year, properties receiving a building permit during calendar year 1986 were measured. All valid sales of property occurring during 1986 were analyzed according to type, age, and condition of each parcel sold. From that analysis, new base rates for each type of structure and for vacant land in each zone were developed. Values for each parcel in the town are developed from those basic base rates with allowances made for topography, building condition and age, quality of construction, location of property, and availability of utilities.

For further information, contact the Assessors Office, Sutton Town Hall, 4 Uxbridge Road, Sutton Center.

Soccer Coaches Needed

The Millbury Parks and Recreation Department is seeking soccer coaches for the 1987-88 season. Coaches are needed for the intermediate level (Grades 5-6).

If coaches are not found, the three teams will have to be disbanded. Anyone interested in volunteering their time may contact James Morin at 865-5652 or Frank McGee 756-7492.

There will be a soccer coach's meeting on Wednesday, August 12, at 8:00 p.m. at the Millbury Town Hall.

AROUN' THE TOWN & GOLDEN AGERS UPDATE

By Lillian C. Sheehan

An unexpected treat came Sunday evening in the person of Jackie Lee Williams and his Band - having had a cancellation due to rain down the line (Rhode Island). They were invited by "Happy" to appear on the Millbury Common. Williams has been called electrifying, dynamic and entertaining and we are inclined to agree with that description. Just sorry they didn't have the proper lighting to stay longer. But they'll be back said "Happy" Erickson who also said that they were trying to revive the old custom of "Band Concerts" on the town common. Many

towns still have the bandstands that were used years ago. It's a tradition worth reviving.

When questioned, Happy said that these concerts, which he coordinates, were made available through the courtesy of the Parks Commission and the Council on Aging. If you enjoy these concerts, write your Selectmen and let them know.

Speaking of commons, the Parks Commission is to be commended for the fine job they are doing keeping the Millbury common in such great shape. The attractive plots of flowers are an added

beauty to the well-kept grounds.

ST. BRIGID'S WOMEN'S CLUB

The officers of the Club have been working on this coming year's programs and all members are asked to note that the first event of the season will be the "Apple Fest" and Mini Fair on Saturday, October 3, 1987. Members will be receiving five tickets in the mail. Each ticket is good for one bag of apples at \$2.50 a bag. Each member is asked to sell these to friends, neighbors, parishioners and themselves.

It's important that you mail, not phone, the number of bags sold and the money to Madeline Hartline, 41 Hemlock Drive, by Wednesday, September 23. She, in turn, will notify Stowe Orchards of the exact number of bushels needed to fill all the orders. The day of the Apple Fest, each person holding tickets should present them to receive their pre-paid apples. Each ticket will be numbered to indicate from whom the ticket was purchased.

On the day of the Apple Fest, there will also be a table of Baked Goods, a Craft Table, and a table of "Treasures and Trifles". All parishioners of St. Brigid's Church, as well as club members, are encouraged to donate to any of these tables.

LINDEN APARTMENTS

At Linden, Anna Rano will be celebrating her birthday on August 15th - Many Happy Returns, Anna!

Edith Army, chairman at the Linden Apartments, says they are now looking forward to their next trip which will be to Wright's Farm for luncheon. They will feast on Chicken and Shells on August 27th.

Last week, they enjoyed a lunch at the Christmas Tree Inn in Holden. More power to our Golden Agers!

CENTERVIEW APARTMENTS

We wish a Happy Birthday to Ida M. Taylor, Secretary; Sissy Hayes, Debbie Yoselow, and Thomas Connors.

Bingo will resume on Wednesday, August 5th, at 7:00 p.m. Come and join in the fun.

Chairman Helme Salois has posted the following trip for Centerview tenants and friends: they will travel to the Windsor Mills Restaurant where the choice of Menu is Baked Stuffed Haddock and Baked Virginia Ham. Following lunch, they will visit the Dracut & Methuen Mall. The fee is \$12.00 for Centerview Tenants only. Departure time is 10:00 a.m. on August 11.

COLONIAL APARTMENTS

Happy Birthday to Alice Ballard of Colonial Apartments.

We will be waiting to hear what Mrs. Norman Saucier, newly elected Chairman at Colonial, has planned for her group. Mrs. Saucier has Mary Scannell, Treasurer, and Alma Ethier, Secretary, assisting her with arrangements.

Bingo is discontinued for the months of July and August.

Sutton Schools Hold Registration For Newcomers

Miss Beverly Brown, Principal of the Sutton Elementary School, is requesting that any newcomer to Sutton who will have children entering school on Tuesday, September 1st (Kindergarten through grade 6) register their child/children before the opening of school. The Elementary Office is open every day from 8:00 - 2:00. A Birth Certificate is required for all youngsters starting Kindergarten.

Parents of students who may be transferring to another school are also requested to notify the school and pick up the necessary transfer papers.

Millbury Library Displays Documents on Route 146 Project

In an effort to keep people informed about the Route 146 project going on in Worcester and Millbury, the Millbury Public Library has created a display of documents, newspaper articles, and maps relating to the project. This display includes maps presented at the June 19, 1987 Public Information Meeting, No. 1 that was held at the Quinsigamond Community Center in Worcester.

The most important aspect of this display is the maps that show the four options for the 146 interchange. These maps are large blow-ups that show what Howard Needles Tammen & Bergendorff, contractors involved in the project, have proposed as possible sites for the 146 interchange. Also included in the display are maps showing the options being considered for widening the Route 146 corridor from Millbury to Worcester's Brosnihan Square.

You will find this important display in the Library's Reference Department.

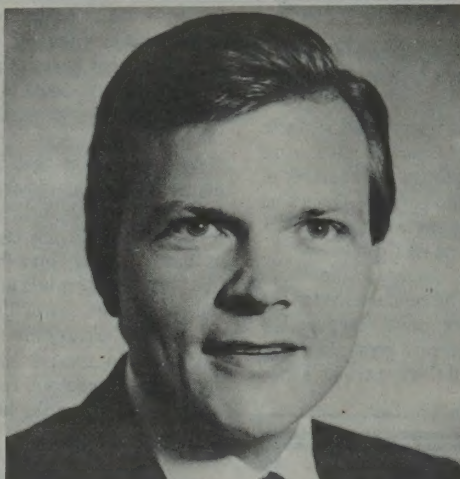

Library Going Strong During August

Business is booming at the Millbury Public Library. Join the fun and activities still going on at the Millbury Public Library throughout the month of August. The goings-on in the Children's Room include the "Reading" and "Read-to-me" clubs, the "Tuesday Night Family Film Fest Series," "Graf-X I" and the brand new "Graf-X II" programs, Audio Visual Licensing, "Sew Easy," and the ever popular, annual Stuffed Animal Contest. A special treat this summer will be "The Bill Ilson Magic Show and Workshop," funded by the Millbury Arts Council, on August 19.

These programs are popular throughout the community with over three hundred children in

attendance so far. So don't be left out this summer, there's still time to join in the fun and activities. For more details, call the library at 865-1181.

Sutton Resident Opens Practice in Orthodontics

Dr. James M. Danko wishes to announce the opening of his office for the treatment of Child and Adult Orthodontics at 210 Worcester Street, Grafton, MA (839-6068).

Dr. Danko is a native of Worcester, attended the Worcester Public School System, and graduated from Assumption College. He received his Doctor of Dental Medicine degree from Tufts University and his specialty degree in Orthodontics from New York University Dental Center.

Dr. Danko served in the United States Public Health Service as a dental practitioner for three years. His wife, Judith E. Danko, is a native of Fitchburg. The couple reside in Sutton.

Church To Close During Month Of August

The First Congregational Church of Millbury will be closed during the month of August, and will resume regular worship on Sunday, September 6, at 9:30 a.m.

Millbury Women's Club
Basketball Results

By Ron Stead

On July 16th, Millbury played a much improved Century 21. Millbury was down by five points at the half. In the second half, Millbury held Century 21 to just nine points while scoring sixteen to gain a 22 to 20 victory.

Jodi Bush led the scoring with 8 points followed by Beth Krumsiek and Gina Carenzo with 4 points apiece. Marie LaBreck, Tammy Hoel and Kathy Ayotte had two points. Marie LaBreck scored the final two points from the foul line with time running out, and Wendy Stead got the final rebound to give Millbury a hard fought victory.

Marie LaBreck and Ellen Ward played tough defense in the second half against the point guard for Century 21, holding her to just two points. Tracy Williams did a good job on defense. Jodi Bush, Tammy Hoel and Wendy Stead did a good job rebounding against a taller group of Century 21 players.

On July 21, Millbury played Central Supply. With four seconds left in the game, Millbury was behind by one point. Marie LaBreck took the ball the length of the court and scored the winning basket with no time left on the clock. It was a hard fought game that found Millbury behind by three at the start of the fourth quarter. Millbury scored eleven points in the fourth quarter the last two being Marie LaBreck's game winning basket with no time left.

Wendy Stead led the scoring for Millbury with six points. Scoring five points apiece were Ellen Ward and Marie LaBreck. Beth Krumsiek had four points and Kathy Ayotte and Katie Hedlund each scored two points.

Millbury played a strong game on defense. Tammy

Hoel, Tracy Williams and Katie Hedlund did a good job rebounding for Millbury. This victory put Millbury into a three way tie for first place with one regular league game left to play.

On July 23, Millbury lost to Gibney's by a score of 54 to 16. Gibney's got off to an early lead and never looked back. Tracy Williams played a strong game on defense for Millbury. Ellen Ward and Kathy Ayotte led the scoring for Millbury with six points apiece. Getting two points were Marie LaBreck and Wendy Stead.

Millbury finishes the regular season with eight wins and four losses. This record puts Millbury in second place for the season and earns them a spot in the Logan League Tournament.

On July 27, Millbury played its first Tournament game against Worcester Discount Liquor. Millbury was down by eleven at the end of the first half. In the second half, Millbury staged a furious comeback with tough team defense and good scoring led by eleven points from Wendy Stead. With no time left on the clock, Kathy Ayotte scored a three point basket to make the final score 44 to 42 in favor of Worcester Discount Liquor.

Wendy Stead led the scoring for Millbury with 13 points. Ellen Ward had eight, and Jodi Bush scored seven and had many rebounds. Getting five points for Millbury were Marie LaBreck and Kathy Ayotte. Beth Krumsiek had four points. Tammy Hoel, Tracy Williams and Katie Hedlund played well on defense.

Sutton Senior News

BUTTER AND CHEESE: We still have some butter, cheese, and powdered milk left from the July 23 distribution. If you have not received your allotment, please come into the office and get it, but if you have already received it, you are not eligible to receive another package.

CHORE PERSON: We still have some money left from the "Chore Person" program. If you have a chore around the house that needs to be done, let us know, and we will arrange to have a high school student call you and set up a time that will be convenient for you to have the work accomplished.

TRIP TO NEW YORK: We are planning to go to New York sometime in September, to visit the Statue of Liberty. We have not set a definite date as yet, because we will want to go when all the children are back in school so that we won't have a long wait to get in. If interested, please call 865-9798.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. A quick hog and a bygone "Newton's fruit"?
A and a

2. Sobbing gorillas and gazing at French pancakes?
 and

3. A quivering transporter and a trembling jokester?
A and a

4. The grouping of volumes and the bravado of chefs?
The of and the of

ANSWERS: 1. A fast pig and a past pig. 2. Crying apes and ayeing creeps. 3. A quaking shipper and a shaking quipper. 4. The cluster of books and the bluster of cooks.

Curriculum Coordinator Chosen For Millbury School System

By Edward J. Cooney

The School Committee met for a second time during the month of July. The Meeting was held primarily to interview and select a candidate for the new position of Curriculum Coordinator.

After approval of the regular minutes of July 8th, the Committee deferred Item #2 concerning interviews for the curriculum coordinator's position. Chairman Hanratty then moved the meeting to other items on the agenda.

The Committee reviewed two bids submitted by two flooring contractors to refinish the gym floor; the low bid of \$8,250 was approved. It is expected that work on the gym floor will begin the first week in August with a possible completion goal of two weeks.

A second reading of a system-wide student marking policy was approved and will be reviewed for a third reading and a vote at the next meeting in August.

Under "Resignations and Leaves", the Committee approved a request for an extension of maternity leave for the school year 1987-88, for Christine Cross.

Under "Appointments", the Committee approved the appointment of Tom McKinney to caretaker of Windle Field, Neal Roberts as a part-time maintenance worker in the schools, and Kathleen Vallee as the clerk to the School Committee.

Superintendent Dr. Alfred Sylvia, then announced that Carole Chiras has received approval from the Massachusetts Department of Education for a \$10,000 grant for a proposal entitled "Click-Turned on to Learning". Sylvia suggested that a letter of congratulations be sent to Mrs. Chiras; the Committee unanimously approved.

Business Manager, Stanley Stickney, informed the Committee that the Transportation Advisory Committee had dropped off a copy of their recommendations for review.

Stickney noted that the report showed a considerable amount of work and was an excellent first step toward a complete and total transportation policy. It was suggested that a copy be sent to Mr. Lola, present transportation contract holder, for review and discussion by the Committee at its August meeting.

Stickney also informed the Committee that Mr. Mara's contract for Special Ed students had suggested a \$48 per day contract agreement covering 4 hours per day. It was noted by Stickney that under state law no child should be on a van for more than one hour. Mara indicated that the 4 hour, \$48 figure, would help him to better control labor costs.

Stickney stated that if trips were to extend beyond an hour, Mara could be paid his initial asking price, which was higher. He stated he would discuss the matter with Mara.

Chairman Hanratty read a letter from the Board of Selectmen requesting that the School Committee purchase a television monitor to allow the Town's use of the access channel provided by Cable Vision; this would be located in the Town Clerk's office.

The Committee took the request under consideration and asked Sylvia to check if any T.V. monitors were available in the system for use by the town.

After a brief discussion, the Committee accepted a policy governing attendance by children with Acquired Immune Deficiency Syndrome (AIDS), for a first reading. After two more readings, the Committee will vote to adopt or amend the Policy.

The policy under consideration by the Committee is one approved by the Mass. Association of School Committees and the Mass. Department of Education, as developed by the Mass. Department of Public Health.

School Committeeman Wilczynski moved that the Committee consider adopting the written policy from the Department of Public Health, noting that the policy could be amended or changed in the future.

The question of confidentiality then arose. Dr. Sylvia stated that only staff having a need to know or those who would be working with a child would be informed.

Committeeman Bruce Pease stated that such information would not be broadcast generally. "It would be an individual thing." Quoting from a section of the State Guidelines, Pease read, "only persons having an absolute need to know" would be informed.

Committeewoman Patricia Cooney stated that the child's personal physician would be the originator and person responsible for notifying the child's school in cases where a child had developed AIDS.

Hanratty closed the discussion by noting that no vote was being taken in adopting a policy tonight and that three readings were required under Committee rule before any policy could be adopted or voted.

In another matter, Stickney recommended that the Committee continue its student athletic coverage with the Lester Burdick Agency. Stickney noted that other insurance proposals were either higher or did not offer as much comprehensive coverage. The Committee approved on a 4-0 vote with Committeeman Alan Tuttle abstaining.

The Committee then discussed, with Chief Thomas Nault, problems with the fire alarm system at the high school.

In a letter written to the Superintendent on June 11, Nault took notice of the number and frequency of false fire alarms that have occurred during the past school years. Nault also noted that there have been continual malfunctions of smoke detectors. "The final and most serious consequence of this

Millbury Library
Announces
Last Film in Series

MILLBURY. The Millbury Public Library, 123 Elm Street, will feature the film **DANNY** on Tuesday, August 11 at 6:00 p.m.
Danny, the last film of the Library's Family Film Fest, is a heart-warming story of a girl and the pony she has faith in when others are losing theirs. Janie, a spunky 12 year old, lives with her widowed mother and younger brother. She is offered a job training Danny, the pony. He develops a limp but Janie nurses him back to health and enters him in the country horse show.
Come to the library early for a good seat, and if you're one of the early to bed crowd, feel free to wear your pajamas.
Popcorn is on the house.

DNS Opens
Membership Drive

Each year our communities face more challenges to maintain and to improve the quality of life of our citizens, young and old.
How can you and the District Nursing Society help?
Each day our newspapers and the TV have stories about new government programs that require shorter hospital stays for many people who depend on Medicare. In brief terms, people are going home sooner and requiring more care at home than ever before. At the other end of the spectrum, our young people are facing the fear and risk of diseases such as AIDS.
How can you and the District Nursing Society help?

The District Nursing Society provides skilled nursing care in the home and home health aides and homemakers to assist those in need.
The District Nursing Society provides speech and physical therapy, medical social services, stay-well clinics, health education and health fairs, and much, much more.
You can help by becoming a member of the District Nursing Society. Your contribution will enable the District Nursing Society to provide appropriate services.
Many people in our communities either do not have medical coverage or they run out of coverage. Your membership contribution will be added to other funds to help these neighbors in need.
Now more than ever, your support will be greatly appreciated. Membership letters have been mailed. If you do not receive a mailing, memberships can be sent to the District Nursing Society 123 Elm Street, P.O. Box 45, Millbury, MA 01527.

SCHOOL from Page 10

system is that it is no longer a reliable warning system." The letter cited State Law, Chapter 148, Section 28, "I hereby order that the fire alarm system, located in the Millbury Memorial High School and attached buildings, shall be repaired and/or replaced to meet the conditions for the adequate protection of life and property." Nault's letter closed with the following, "This fire alarm system will have to be in full working order before the opening of school in September 1987."

Speaking to the Committee, Nault stated that there is a need for an annunciator to be located in the building so that personnel can locate in which area of the building a fire alarm had been pulled. This would save time in getting fire equipment and men to the proper location. He suggested the possibility of locating the annunciator panel in the Principal's office. He also expressed concern about the need for new smoke detectors and additional locations. Nault reported that since the pull stations were fully operational school would be allowed to open in September. He also stated that he would assist the Committee in evaluating bids and specs.

Nault then offered his assistance in support of a Warrant Article for a special town meeting to pay for the rehabilitation of the fire alarm system at an estimated cost of \$20,000.

At 8:25, the Committee voted to move to Executive Session to interview two finalists for the position of Curriculum Coordinator. A third finalist had withdrawn.

Upon returning from Executive Session, the announcement was made that the committee had voted unanimously to appoint Dr. David Troughton as Curriculum Coordinator for the Millbury System K-12. Dr. Troughton is an Assistant Principal and handles curriculum at the West Boylston Junior and Senior High School. He has worked as a central office intern and has taught Science at the High School level. He holds a B.S. from Bates College, an M.S. from Northeastern University, and a Ed.D. from Northeastern University.

The Committee also unanimously approved the appointment of Susan Pierce as Business Manager. She will replace Slickney who is retiring in October. Ms. Pierce presently holds a position as bookkeeper/accountant at the Montachusett Regional Vocational School and is a resident of Grafton.

Having completed the agenda, the Committee adjourned. The next scheduled meeting will be held on August 19.

Parents Anonymous Seeks Caring Leaders

NEEDED: Compassionate human services professionals and other caring, special persons to serve as leaders of Parents Anonymous self-help groups in the Blackstone Valley area. Parents work together to learn to improve their relationships with their children. This is an opportunity for great personal and professional growth. Up to 4 hours/week commitment. District Nursing Society Congratulates Graduates

MILLBURY. The District Nursing Society extends congratulations to the following Homemakers and Home Health Aide Graduates: Home Health Aides - Amy Bedord, Mary Bertrand, Michele Burdick, Amy Moore, Cheryl Powers; Homemakers - Gina Gagliardi, Barbara LaFleur, Kim Simpson, Rosemary Walsh.

The Society would like to thank the Northbridge Senior Center, Whitinsville, and the Beaumont Nursing Home, Northbridge, for the use of their rooms for the training program.

Water Safety Awareness Week

WORCESTER. The Central Massachusetts Chapter American Red Cross, in conjunction with the Department of Environmental Management and local recreational facilities, has named August 8-14 as "Water Safety Awareness Week" in an effort to decrease the public's risk of drowning and water-related injuries. On August 8, 12-5 p.m., various pools, camping areas and parks will have free swimming and will be distributing printed water safety rules to all those who participate. The Rain Date will be August 9, from 12-5 p.m.

Some safety tips to keep in mind are:

- Always swim with a buddy.
- Always supervise children carefully. Maintain continuous supervision even when there are life-guards.

- Know your limitations and do not overestimate your ability.

- Check with a lifeguard regarding beach and surf conditions before swimming.

- If you are caught in strong currents, DON'T PANIC. Swim parallel to the shore until free of the currents, then swim to shore.

- Alcohol and swimming are a potentially fatal combination. Studies show that drowning or distress victims who have been drinking don't call for help, signal, or struggle---they just slip below the surface.

- Cold water can affect the body's ability to function. Parents should supervise children very closely when in cold water.

- LEARN TO SWIM well enough to enjoy the water and prevent emergencies. Using floating devices is not a substitute for knowing how to swim.

- Stay out of the water during electrical storms. If at all possible, seek protection in an enclosed shelter. Trees DO NOT provide protection.

- Know First Aid and CPR. Call your American Red Cross for class schedules.

Anyone wishing additional information can call the Health Services office of the American Red Cross at 756-5711.

CELEBRATING OUR 10th YEAR

Members of the Sutton Council on Aging gathered under the cool canopy at Purgatory Chasm for lunch on Tuesday.

Volunteers for the Council on Aging prepare to serve lunch at Purgatory.

essentially an information and referral program," explained Mrs. Boria. "What we do is call various agencies to see how best to resolve problems that arise." As if by design, a senior called to say that she has not received her welfare check for the past two months. "This is the kind of problem we get every day," Mrs. Porter said. "There probably is a computer error somewhere, and we'll have to call around until we can trace it and clear up the problem."

"We can call in and if not solve the problem ourselves, at least we can put people in touch with the agency that can service them," Mrs. Boria added.

Both Mrs. Porter and Mrs. Boria derive a great deal of satisfaction from their work because their experience in dealing with a variety of federal, state, and local agencies can frequently bring about resolutions that would only frustrate and discourage the seniors.

Being compassionate and having affection for the

elderly are the most important qualifications for their positions. "Our seniors seem to feel comfortable with us," said Mrs. Porter, "and feel free to drop in or to call in with their problems. I think they can sense that we are genuinely concerned with their welfare and want to help them."

All members of the Council are dedicated to improving the quality of life for the elderly population, and their devotion to their work makes life a little more interesting and less complicated. The dedication and concern which they bring to this deserving group of Sutton residents is rewarded by the participation and enthusiasm which the seniors bring to the program. In short it is another example of what is best in our communities, namely, people helping people to live good fulfilled lives.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. Embracing the males and assaulting the female chicken?

_____ the _____ and
_____ the _____

2. A dwarf's escorts and a finger's companion?

A _____ and a

3. Collapsing looking-glasses and shaping scared ones?

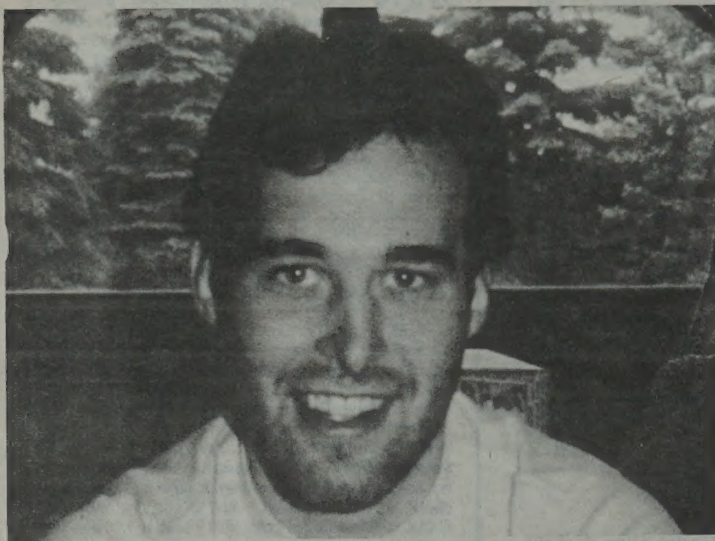

_____ and

4. Where Brer Rabbit lives and the previous mixture?

The _____
and the _____

ANSWERS: 1. Hugging the man and mugging the man. 2. A middle finger and a girl's mixie. 3. Folding mittens and molding mittens. 4. The briar patch and the prior patch.

Jeffrey Jensen Receives 1987 "Envy Awards" at Boston Ceremony

Jeffrey Shawn Jensen, a dean's list student at Emerson College, received two awards at the 1987 Envy Awards Ceremony of Emerson Independent Video held in the Imperial Ballroom of the Park Plaza Hotel in Boston.

These awards were for "Most Creative Concept for Jet, a 30-Minute Rock Magazine Pilot" and for "Best Overall Special Production, a 30-Second Commercial about Emerson College - Connecting Ideas for the Future."

Jeffrey, who will be a senior in the Fall, is majoring in Mass Communications TV and is manager of the Emerson College TV studio. He is presently working his internship at Arnold-Levin Production, Watertown, Mass. He is also doing free-lance work as a video editor and as a TV camera operator at Pentangle Production, Boston.

Jeffrey, the son of William and Shirley Jensen of 17 Millbury Avenue, is a 1984 graduate of Millbury High School.

Rix/SuperDrug Holds Ribbon Cutting Ceremonies
